

# Modify your Vieux Château du **roi**

(Using 4 week wine kits)

**Just follow the instructions  
included in the kit, with the  
following changes:**

## Ingredients

1 Vieux Chateau du Roi 4 week  
wine kit  
1.14L Cranberry Cocktail  
100g Banana Powder

## Instructions

1. In addition to the additives provided with the kit, ON DAY ONE add the cranberry cocktail and the banana powder, along with the concentrate, to the primary fermentor. Then top up with water to the specified level.
2. Continue on as usual with the remaining wine making steps.

The end result will be a full-bodied wine that you can enjoy with your meal.

**Enjoy!**
